Website Creation Order Form

What's the primary goal for this website?

For example: Drive inbound leads, get quote requests, increase brand awareness, or educate your audience.

Include any notes about the navigation of your website pages.

Let us know how you want to organize the sections and navigation of your website. Example: Home, About Us, Services, Gallery, and Contact Us.

List any social media pages for your business that you would like included on the website.

List down the URLs of the social pages for your business (Facebook, Instagram, LinkedIn, etc)

Domain credentials to include domain registrar (along with URL), username, and password.

If you do not have a domain, please provide us with a domain name that you like that we can purchase on your behalf.

An original copy of your logo.

Preferably as an EPS, JPEG, or PNG format.

The framework you've chosen from https://frameworks.yourdigitalagents.com

The web address of your current website.

(if applicable).

Icons you would like to use on your website.

(Please note, you can use Flaticon.com to select icons/vector images. Please provide us the image ID's and we will purchase them for you at no additional costs)

Website copy you would like to use on your website.

A complementary color scheme for your website.

Typically we ask for a minimum of two-three colors.

Contact email for form submissions and displayed on site.

Images you would like to use on your website.

(Please note, you can use 123rf.com to select images. Please provide us the image ID's and we will purchase them for you at no additional costs)

Include links and information about creative files you want us to use:

Use this field to let us know if you have logo, pictures, videos, or anything else that you want to see on the website

Additional information:

Is there anything else you would like us to know?
